

Information about reduced price for kindergarten

If your family has a low income, you have the right to pay a reduced price for kindergarten.

Children who attend kindergarten full time may also be entitled to 20 hours free of charge per week.

After you have accepted a kindergarten placement, you can apply for a reduced price. The application form is available on the City of Oslo's website.

Who qualifies for a reduced price?

Families with an annual income below 550 000 kroner before taxes can pay a reduced price for kindergarten.

Some children are also entitled to 20 hours free of charge per week:

- Children born in 2017 or 2018 when the family's annual income is below 693 200 kroner before taxes.
- Children born in 2019 or 2020 when your family's annual income is below 598 825 kroner before taxes.

If you have more than one child attending kindergarten, you get an additional discount that is automatically calculated. You do not need to apply for this.

The income limits apply to the period 1st January until 31st August 2023.
